## SPECIAL FEATURES

**Omega 603 Universal Tractor Oil** is the quality lubricant formulated specifically to eliminate misapplication and the need to carry large inventory stocks.

- **Omega 603** is formulated for use in virtually all makes & models of tractors and types of agricultural equipment.
- **Omega 603** can be used in the crankcase of gasoline (petrol) and naturally aspirated diesel engines, transmissions, final drive differentials, wet brakes, power take-off units and hydraulic lines.
- **Omega 603** meets or exceeds most manufacturers' specifications and US military requirements.

## OUTSTANDING PROPERTIES

**Omega 603** is the universal tractor oil that:

- Is made from fine paraffinic base oil stock to ensure naturally high viscosity index and year-round use.
- Is blended with unique Omega "Megalite" supplements to coat and protect metal surfaces and minimize meta-to-metal wear.
- Withstands high temperatures and severe cooling conditions.
- Works to eliminate gum, sludge and carbon formations – fights oxidation and corrosion.

## USE FOR

**Omega 603** is the superior, cost-effective universal tractor oil that can do the job of four or five different ordinary oils, thereby eliminating misapplication as well as the need to carry large inventory stocks.

**Omega 603** has been extensively tested and proven to be suitable for use in engines, transmissions, differentials, wet brakes, power take-offs and hydraulic lines.

Use **Omega 603** in virtually all makes and models of agricultural tractors and off-road equipment.
